

The Highland Howler

Holiday Edition 2021

It has certainly been an interesting couple of years for everyone. Last year and the beginning of 2021 were certainly rough with nobody traveling and staying close to home. Everything picked up this spring and the kennel has been full for most of the time. "Busy is Good!"

This December we will be celebrating our 22 years in business! We owe our success to God for His faithfulness and to our loyal dog parents. Many of our dog guests are like family, seeing them through puppy-hood to sadly crossing over the Rainbow Bridge.

On a personal note, we lost our beloved Orianna, who crossed the Rainbow Bridge on January 2nd. It is never easy. On a bright note, we welcomed "Angus Hold My Scotch @ Cayuga Highlands, "Gus" to the family in May, a bundle of golden love, who is 70 lbs now!

Come join us during the month of December for your holiday shopping!
We have goodies for the poochies and Santas too!

New Rates for 2022

Effective January 1, 2020, we will raise the rates on boarding. We have looked to gain efficiencies in the areas we have some control, like finding ways to lower our insurance costs and fuel consumption, but as we know energy costs, higher property taxes, dog food and about everything else as gone up dramatically.

Its been over three years since we raised our rates. As always, we offer our same special care and attention to your furry family members and remember our rates are still all inclusive, no extra add ons.
